

Listen to Children Feedback
2017-18 School Year

COMMENTS FROM 2017-18 SURVEYS & FEEDBACK FORMS:

Comments from Teachers Whose Students Had Listeners

- “(Child’s) behavior improved greatly. She is able to communicate her needs instead of getting angry or withdrawn. She makes more friends. She works in groups without arguing. She follows directions and stays on task more often. She is now a new and improved person.”
- “(Child) has shown improvement in cooperating with peers, remaining attentive, maintaining age appropriate relationships and completing seatwork.”
- “His tantrums have been less frequent than before. Mom has stated that this program has really helped (child).”
- “What an amazing Listener (child) had this year. She was crucial to achieving all the improvements made this year!”
- “(Child) has improved academically. He is respectful and gets along with others. He shows effort daily.”
- “(Child) has shown a lot of personal growth this year. He has really shown a lot of improvement with self-control, patience and resolving conflicts appropriately.”
- “(Child) seems much happier and able to express his feelings clearly. I think he definitely benefited from this program. I would recommend that he continues to receive the one-on-one Listener.

Comments from Parents Whose Children Had Listeners

- “This program has enabled (child) to face her fears in school and learn how to shift her mindset toward the positive. Without a doubt it has been tremendously helpful both emotionally and academically.”
- “Based on (child’s) feedback, it seems he felt he had another friend or support system to count on. Exactly what he needs right now.”
- “Very happy that there is a neutral party that also has my child's BEST interest in mind, helping her open up. This program has served my child well.”

2017-18 School Year

- “It helps when she's feeling anxious. It breaks up her day and gives her extra 1 on 1 time (which she enjoys). It also gives her a safe space to express herself.”

Comments from Children about Listeners (Spelling corrected)

- “She would help me take things off of my mind/take the weight off my shoulders.”
- “I had anger issues and I feel like I don't anymore.”
- “Because we talked about personal things and we would not have to worry about it again.”
- “He is a special friend that I could trust with my feelings and emotions about my life.”
- “I can tell her stuff that I didn't know how to tell anybody else.”
- “He talks me through things that are tough and If I do not know how to calm down she is always there for me.”
- “She helped me behave better around people, and helped me want to learn.”
